

Yearbook Contest 2022

Yearbook: you have sweated over it all year long...*you* know it is a work of art, a journalistic masterpiece, and a labor of love. Now let the rest of the world know how good it is!

The Garden State Scholastic Press Association will hold its annual award competition this summer. We will award first, second, and third place designations as well as All-New Jersey, the highest honor for yearbooks from our organization.

This could be your first step in helping get recognition from parents, the Board of Education, and your community at large by garnering awards for your publication. An experienced judge from out of state will complete a thorough critique form and give you points in each category. Explanations and the critique will comprise each returned entry.

If you are ready to take the challenge of competition, fill out the application form downloaded from our website at <www.gsspa.org>

Send the completed form, a copy of your yearbook, and a check for \$80 (payable to the GSSPA) to the address below.

You must be a GSSPA member to enter the contest. If you are not a member, download the membership form from our Web site and join today! If you are not sure, check with Sue Everett at 201-653-5480 or <everetts@earthlink.net>
